

# Eagle Mobility Mobile Banking Application

*Guide for iPhone Users*

Century Federal Credit Union (CFCU) is proud to bring you Eagle Mobility - CFCU's Mobile Banking Application.

Take flight with Eagle Mobility and access your accounts 24/7. Eagle Mobility allows CFCU members to securely login to check balances, transfer funds, pay bills and find a nearby location/ATM. You must be signed up for online banking to utilize Eagle Mobility.

CFCU members can download an IOS/Apple version of the Eagle Mobility – Mobile Banking Application from the iPhone App Store.

### **Eagle Mobility - CFCU's Mobile Banking Application has three components:**

1. **Mobile Application:** IOS/Apple phones/Android phones only
2. **Mobile Web Browser:** smartphones other than IOS/Apple phones and Android phones (with Android and iPhones your most optimal Mobile Banking experience will be with the Mobile Application).
3. **SMS (Texting and Alerting):** any phone that has texting capabilities

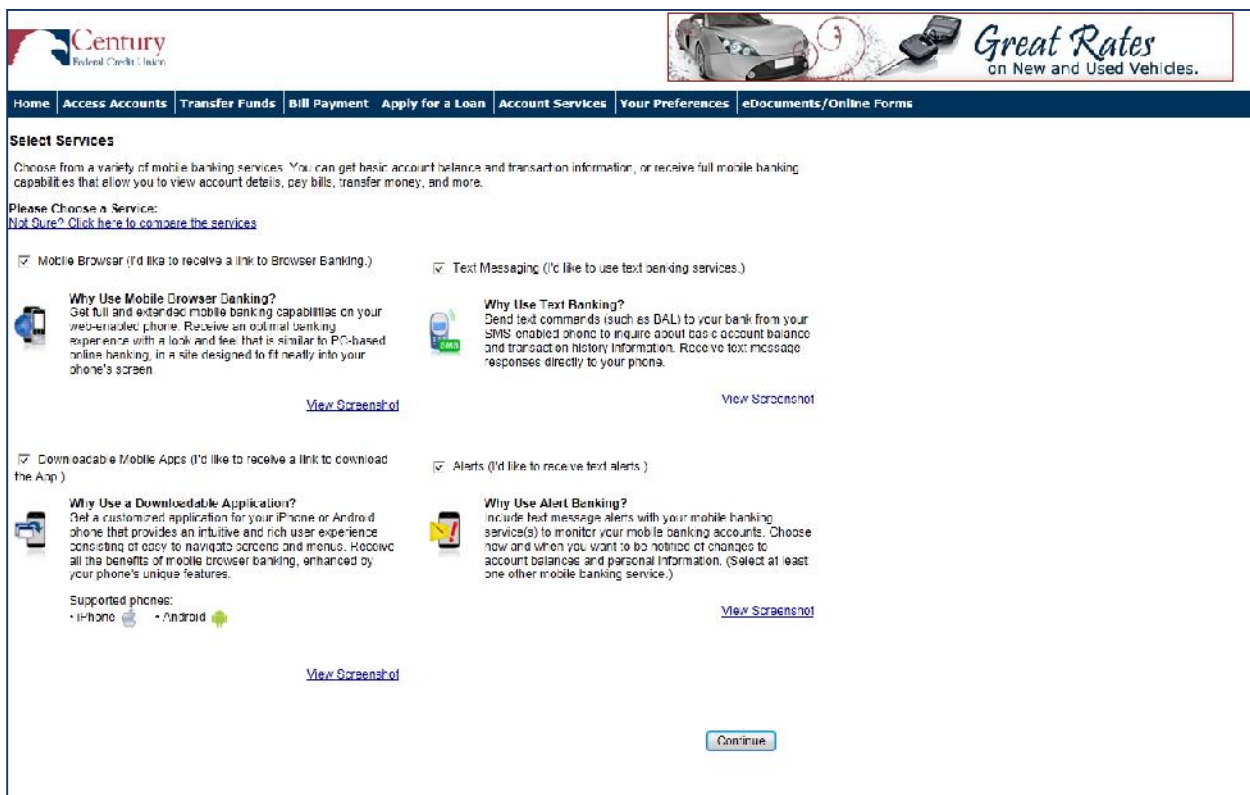

It's easy to get started. Simply continue reading to discover the steps to get started with Eagle Mobility - CFCU's Mobile Banking Application!

## Registering Your Device:

Before you begin, you must first register your phone by logging into your CFCU home banking. Once you're logged in select "Access Accounts" and select "Eagle Mobility/Mobile Banking" to register your phone.

Start by selecting the types of services you wish to access on your phone by placing check marks in the appropriate boxes.

A screenshot of the CFCU mobile banking registration page. The page features the Century Federal Credit Union logo and a banner for "Great Rates on New and Used Vehicles." The navigation bar includes links for Home, Access Accounts, Transfer Funds, Bill Payment, Apply for a Loan, Account Services, Your Preferences, and eDocuments/Online Forms. The main content area is titled "Select Services" and contains four sections, each with a checkbox and a "View Screenshot" link: 1. "Mobile Browser (I'd like to receive a link to Browser Banking.)" with a "Why Use Mobile Browser Banking?" section. 2. "Text Messaging (I'd like to use text banking services.)" with a "Why Use Text Banking?" section. 3. "Downloadable Mobile Apps (I'd like to receive a link to download the App.)" with a "Why Use a Downloadable Application?" section and supported phone icons for iPhone and Android. 4. "Alerts (I'd like to receive text alerts.)" with a "Why Use Alert Banking?" section. A "Continue" button is located at the bottom right of the form.

\* When selecting Alert Banking, you must make sure that you setup the type of alerts you wish to receiving within home banking services.

Select time zone and accounts you wish to access.

You can also give your accounts a short nickname for texting purposes. E.g. Main Share Mobile Banking Nickname: BobSav1

**Account Selection and Configuration**

1. Select your timezone which helps us to determine when to send alerts to your phone

Time Zone: (GMT-05:00) Eastern Time (US & Canada) ▾

2. Select the account you wish to access through Mobile Banking and confirm their nicknames

Eligible Accounts	Mobile Banking Nickname
<input checked="" type="checkbox"/> Main Share (*99-0) Savings	<input type="text"/>

**What's a Texting Nickname?**

The nickname identifies the account in a text message. For example, to check your transaction history, text HIST followed by the account nickname, such as B1.

[View Example](#)

Enter your mobile phone number:

**Your Mobile Device**

Enter Your Mobile Phone Number:  For example, 5551234567

- You should have your mobile phone with you.
- You'll receive a text message with an activation code. You need this activation code to continue.
- The phone number you provide will not change any other phone numbers we have on file in our records.

Thank you for using Mobile Banking combined with your handheld's text messaging capabilities. By registering for Mobile Banking, or changing your registration information, you certify that:

A. You are the account holder, or  
B. You have the account holder's permission to do so.

Message and data rates may apply. For help, text "HELP" to 59289. To cancel, text "STOP" to 59289 at any time. Message frequency depends on account settings. For assistance, please contact customer service at 216-535-3200.

Our participating carriers include (but are not limited to): AT&T, Sprint, T-Mobile®, U.S. Cellular®, Verizon Wireless

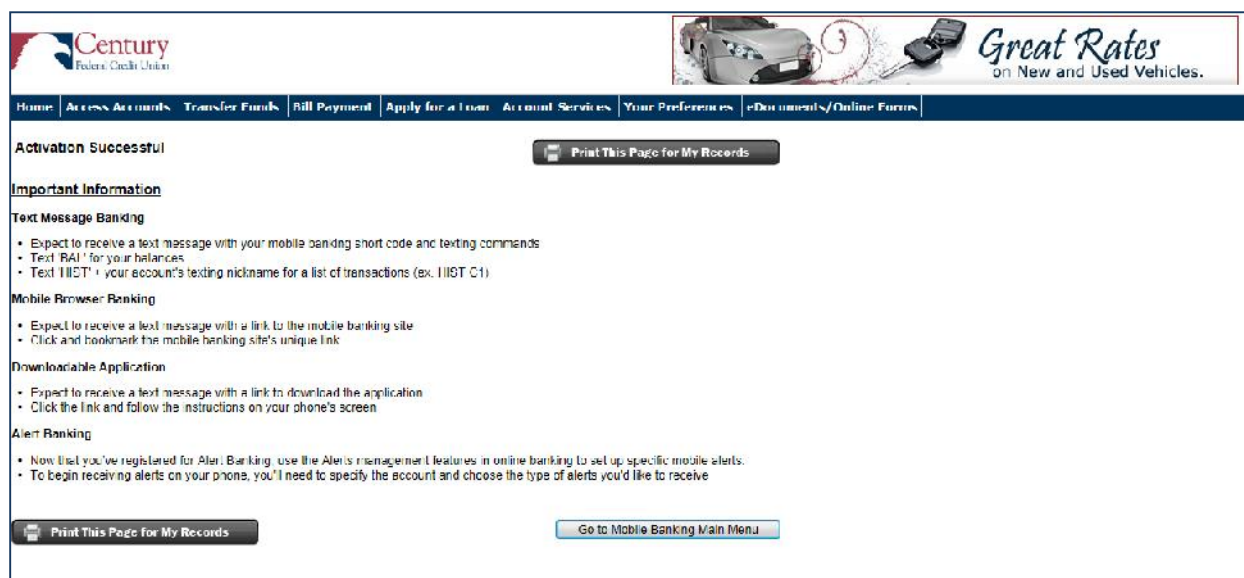

Once you click "Continue" a text will be sent to your iPhone with an Activation Code.

Once entering your mobile phone number you will receive a text message on your phone containing the Activation Code.

Enter Your Activation Code and click “Activate.”

You may now begin using your phone for mobile banking.

The screenshot shows the Century Federal Credit Union mobile banking activation page. At the top, there is a navigation bar with links: Home, Access Accounts, Transfer Funds, Bill Payment, Apply for a Loan, Account Services, Your Preferences, and eDocuments/Online Forms. Below the navigation bar, the page displays "Activation Successful" with a "Print This Page for My Records" button. Under "Important Information", there are three sections: "Text Message Banking" (Expect to receive a text message with your mobile banking short code and texting commands; Text BAL for your balances; Text HIST for your account's texting nickname for a list of transactions (ex. HIST C1)), "Mobile Browser Banking" (Expect to receive a text message with a link to the mobile banking site; Click and bookmark the mobile banking site's unique link), and "Downloadable Application" (Expect to receive a text message with a link to download the application; Click the link and follow the instructions on your phone's screen). There is also a section for "Alert Banking" (Now that you've registered for Alert Banking, use the Alerts management features in online banking to set up specific mobile alerts; To begin receiving alerts on your phone, you'll need to specify the account and choose the type of alerts you'd like to receive). At the bottom, there are two buttons: "Print This Page for My Records" and "Go to Mobile Banking Main Menu".

As an iPhone user, you will receive a text message with further instructions for each service you selected online.

For more information on how to access these services, please read more about:

1. Text Banking (SMS)
2. Mobile Web Browser (WAP)
3. Downloadable App from iTunes (APP)

During the registration process, you will receive a text message with information on how to access and use SMS (text Banking).

Text to 59289.

Type HIST + account nickname to receive a list of transactions for that account.

Type BAL to see a list of all your account balances.

See additional texting codes on next page.

## Additional texting codes include:

REQUEST	KEYWORD (S)	DESCRIPTION
Account Balance	B, BAL, Balance, Balances	Check the balances for all accounts you've registered in Mobile Money. If you've registered accounts from more than one financial institution, enter the financial institution's identifier before the keyword. For example: CFCU BAL
Transaction History	STMT, TRAN, HIST (acct nickname)	Check the most recently posted transactions of the account you specify with the account nickname. For example, TRAN SAV1. If you've registered accounts from for than one financial institution, enter the financial institution's identifier before the keyword. For example, CFCU HIST SAV1. If your transaction history response message ends with "Reply NEXT" text NEXT or MORE to view more transactions.
Help	HELP, HLP	Provides information about the Eagle Mobility – CFCU's Mobile Banking keywords
Stop Requests	STOP, END, CANCEL, UNSUBSCRIBE, STOP ALL	Stop receiving Mobile Banking alerts. Text: <ul style="list-style-type: none"> <li>• STOP BNKG to cancel banking alerts.</li> <li>• STOP MKTG to cancel marketing alerts.</li> <li>• STOP ALL to stop all alerts.</li> </ul> If the member has registered accounts from more than one financial institution, enter the financial institution's identifier before the keyword. For example, CFCU STOP ALL.

*Note that Text messages are limited to 160 characters. Sometimes all the account information can't be sent in one message because it exceeds the character limit. In this case, account information will be sent in multiple messages – no more than five at a time.*

## Mobile Web Browser

During the registration process, you will receive a text message with information on how to access the Mobile Web Browser (if you selected as a service online). Note as an iPhone user the downloadable Mobile Application will be your most optimal Eagle Mobility – CFCU Mobile Banking experience.

Simply click on the “Launch Mobile Banking” link in the text message to launch your mobile phone’s browser.

After arriving at the mobile browser URL, it is recommended that you bookmark the site for easier future reference.

## Mobile Web Browser

After selecting Log In, you will see your security image. Enter your home banking password.

## Mobile Web Browser

Once you're logged in you'll see the Eagle Mobility Web Browser Main Menu.

## Downloadable Eagle Mobility – Mobile Banking Application

Click on the “Download Mobile Banking” link. This will activate and launch the application for the first time use.

After successfully activating the application for the first time, future access to the application will only require you to select the Eagle Mobility – Mobile Banking icon from your phone.

## Downloadable Eagle Mobility – Mobile Banking Application

The Century Federal Credit Union (CFCU) iPhone Application screen will appear momentarily and will automatically redirect you to the iTunes store.

The amount of time it takes to redirect will depend on the speed of your connection. **DO NOT CLICK** on the “Click here to go to the App Store” link. Let it redirect.

## Downloadable Eagle Mobility – Mobile Banking Application

After being re-directed to the iTunes store, you will receive an additional text message that contains a link that is required to activate your Eagle Mobility Mobile Banking Application for the first time.

Close this text message at this time and click on the “Install” button. You can also search and download the APP from the APP Store. Search under Century Federal, Eagle Mobility, Century Federal Credit Union and CFCU. Note if you visit and download Eagle Mobility from the Apple Store you will still need to activate your phone number within your CFCU Online Banking account.

If prompted, enter your Apple ID and Password to complete the download process.

## Downloadable Eagle Mobility – Mobile Banking Application

After the download has been completed, you will see the Eagle Mobility – CFCU Mobile Banking icon on your screen. DO NOT click on the icon at this time.

Open your text message you received during the pre-install process and click on the “Download Mobile Banking” link. This will activate and launch the application for the first time use.

After successfully activating the application for the first time, future access to the application will only require you to select the Eagle Mobility – Mobile Banking icon from your phone.

## Downloadable Eagle Mobility – Mobile Banking Application

After launching the application, you will see your security image and prompt to enter your home banking password.

See additional Eagle Mobility screen shots on the next couple pages.

## Supported Operating Systems, Browsers and Networks

The following statements outline the scope of general optimization approach. Devices outside the following guidelines are not selected for testing. However, there is no guarantee that a device **not included** in this list is specifically optimized unless that device is on the tested devices list below.

### Minimum Device Operating System Support

- **Android (Version 2.0):**
  - Operating system versions below v2.1 are NOT supported.
  - User installed operating system versions ('Custom ROMs') are not supported. Only operating systems installed by the manufacturer/carrier by default are supported.
- **Apple (Version iOS 3.0):**
  - Operating system versions v3 and above are supported.

### Channel Support

All Android and iOS devices in the certified device list are supported for the Application and Browser access channels. All devices are supported for the SMS channel.
